

FIRST INTERNATIONAL JOURNAL OF PAVEMENTS CONFERENCE

On behalf of IJP publisher and editors, we are pleased to announce the first International Journal of Pavements Conference to be held on December 9 – 10, 2013 in São Paulo, SP, Brazil.

This will be an excellent forum to reach out to a large number of industry professionals, educators, researchers, transportation engineers, and agency officials involved in education, research, building, and preserving transportation infrastructure worldwide.

This conference will provide a unique opportunity to interact and exchange information among professionals and educators of several countries, who are active in designing, constructing, maintaining and preserving, and managing pavement assets.
